

BIG Difference

ENERGY SAVING LIGHTING CONTROLS

Ceiling Occupancy Sensors

- > Extremely sensitive and reliable
- > Quick and easy installation
- > Small and unobtrusive

Outdoor Motion Sensors

- > Security and convenience
- > 290 degree coverage
- > 16m sensor zone
- > Stylish design, white or black
- > Optional remote control

Daylight Dimming Sensors

- > Save up to 50% of energy
- > Better lighting conditions
- > Easy installation
- > Proven & reliable

LED Emergency Exit Signs

- > 95% cheaper to run than conventional signs
- > Use only 1 LED (1 Watt)
- > No tube replacements required
- > No battery replacement required
